Australian Medical Placements
Work Health and Safety Policy

This policy:

- shows the commitment of the management and workers in this workplace to health and safety
- aims to remove or reduce risks to the health and safety of all worker, contractors and visitors to this workplace and anyone else who may be affected by our operations
- aim to ensure all work activities are done safely
- recognise that health and safety is most effective when a collaborative approach is used to identify and solve problems
- commits to continuously improving work health and safety by addressing hazards and reviewing outcomes.

The Person Conducting a Business or Undertaking (PCBU) must:

- ensure their responsibilities under the Work Health and Safety Act 2012 (SA) are met
- take reasonable steps to provide and maintain a safe working environment, plant and substances in a safe condition, and facilities for the welfare of all workers
- provide ways for workers to be informed about and involved in health and safety issues at work
- provide information, instruction, training and supervision needed to make sure that all workers are safe from injury and risks to their health and safety
- conduct regular workplace inspections
- ensure this policy and all safe work procedures are kept up to date.

Workers must:

- take all reasonable care for their own health and safety, and ensure that their acts or omissions do not adversely affect the health and safety of others in the workplace
- follow reasonable instructions given by the PCBU to protect their health and safety
- identify and report any workplace incidents or hazards to their supervisor
- not wilfully interfere with or misuse items or facilities provided

Visitors and contractors must:

- not put themselves or any other person at risk
- comply with our safety policy.
